## SEPTMEBER NEWSLETTER

### PYO

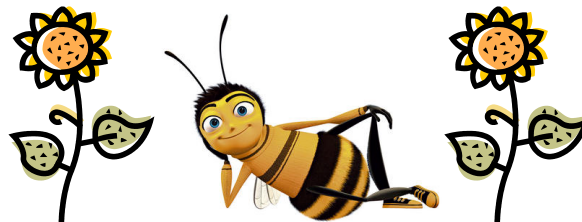

We still have PYO Autumn raspberries which are finally starting to become more plentiful and are absolutely delicious! We should continue to have them throughout September (weather permitting!).

### MACMILLAN COFFEE MORNING

We are holding a coffee morning again this year to raise money for Macmillan cancer support. We are actually holding it a week early, on Friday 18<sup>th</sup> September between 9.30am and 11.30am. We will be offering free tea, coffee & biscuits in return for a donation. I do hope you can join us to raise money for this great cause.

### COMING SOON!

Our very own honey! As some of our strawberry pickers may have noticed, we now have our own hives and our honey has recently been harvested. We are just waiting for it to be jarred and labelled and should hopefully have it on the shelves before the end of the month!

### CHRISTMAS

We will be taking Christmas meat and our fantastic quality turkey orders in October. Please order early to avoid disappointment!
